

# P – 3 Virtual Learning Community

**Monday, September 07 at Virtual**

**Location: Zoom virtual platform**

**Mailing address:**

**P. O. Box 282**

**Hamburg, NJ 07419**

---

P – 3 Virtual Learning Community promotes the holistic development of the young child, specifically. We focus on stimulating positive learning experiences for young children through a virtual child-centered approach that includes the family in the learning process. Many families have made the decision to keep their children at home due to COVID-19. P – 3 Virtual Learning Community provide the opportunity for children who are at home with parents or a caregiver to engage in meaningful hands-on activities geared towards advancing academic skills.
